Physical Computing  
... and always looking to  
learn more!

## Languages

German: native  
Englisch: fluent  
Italian: basic  
Spanish: basic  
French: basic

## Education

- » Since 2013 Bachelor's Degree in Interface Design at University of Applied Sciences Potsdam (Fachhochschule Potsdam)
- » 2010 - 2012 Apprenticeship in Graphic- and Product-Design at BdMK
- » 2010 - 2002 High School Diploma, Zeppelin Gymnasium, Lüdenscheid

## Work Experience

- » Since 2014 I've been working besides my studies as a Design Freelancer with a focus on Web-Design, CI, SEO and Brand-Strategy.
- » 2015 - 2016 I co-founded the service start-up Sealed with the aim to simplify and secure trade with used electronic products
- » May - July 2011 Intern at web-agency David&Goliath, where I learned about clients, project management and different workflows.
- » January 2009 My first design position as an intern during High School and personal confirmation to focus on a career in Design at Manthey Werbung.

## Social Commitment

- » Since 2014 Founding and curating a platform for cultural exchange and events in my hometown inviting artists and musicians from Germany and other countries.
